

Course of

Computer architecture, RISC-V and vector computing

Filippo Mantovani, Fabio Banchelli, Pablo Vizcaino
Barcelona Supercomputing Center

In case...

...you are interested in RISC-V vectorization for the final project of the master...

...you are interested in job openings in RISC-V related projects...

...you visit Barcelona and you want to visit the Marenostrum supercomputer...

..contact us:

filippo.mantovani@bsc.es, fabio.banchelli@bsc.es, pablo.vizcaino@bsc.es
